AllRound Shoe®
Closed, long-term Healing Shoe

From Post-OP to wound care, the »Allrounder« is a comprehensive healing shoe, a relief shoe and a rehabilitation shoe. All-in-one design for comfort and ease of use.

Sensitive feet need protection and require appropriate care. Patients with long term ailments such as Diabetic Foot Syndrom or Rheumatoid Arthritis have special needs and may face complications from swelling feet to foot deformities. The »Allrounder« is a healing shoe with the features that matter most.

1. Closed toe boot made of breathable fabric – free of protruding seams with a wide access for ease of handling.
2. Through the unique sandwich technology, the sole is ridged and stable yet cushioned and slip resistant.
Mobility is life – from the beginning DARCO’s focus has been to improve the quality of life for patients. We have been developing orthopedic solutions to keep feet safe and protected for over 30 years and the »Allrounder« is a new, clever, broad-based solution.

**Indications:**
- postoperative care
- wound care
- arthritis
- foot in risk category 0, 1 or 2 according to the German Diabetes Association Guideline

**Purpose:**
- sole allows for easier mobility without compromising stability
- sandwich sole construct combines firmness for stability and a cushion sole for softer landings
- shoe upper is a light-weight, breathable nylon fabric that repels water and soil
- multi-layered closure for protection and a secure fit
- removable insoles plus ample space to accommodate individual needs

**Features:**
- stable and easily adjustable
- shock absorbe, anti-slip outer-sole
- spacious boot design for custom Insoles or bulky bandages (can accommodate diabetic foot insoles)
- soft breathable fabric with adjustable Velcro® closure
- long ridged internal plate promoting weight distribution
- extra wide opening – seamless comfort-zone
- low profile sole – no height compensation necessary
- also for bandaged or swollen feet, arthritic feet and feet with deformities
- can be worn on the right or the left
